### Resource Description

#### **Communication:** ☒

resource focus on research or methods on how to communicate or frame issues on climate change; surveys of attitudes, knowledge, beliefs about climate change

A focus of content

#### **Communication Audience:** ☒

audience to whom the resource is directed

Policymaker, Public, Researcher

#### **Exposure :** ☒

weather or climate related pathway by which climate change affects health

Unspecified Exposure

#### **Geographic Feature:** ☒

resource focuses on specific type of geography

None or Unspecified

#### **Geographic Location:** ☒

resource focuses on specific location

Global or Unspecified

#### **Health Impact:** ☒

specification of health effect or disease related to climate change exposure

General Health Impact

#### **Medical Community Engagement:** ☒

resource focus on how the medical community discusses or acts to address health impacts of climate change

# Climate Change and Human Health Literature Portal

A focus of content

**Resource Type:** 

format or standard characteristic of resource

Policy/Opinion

**Timescale:** 

time period studied

Time Scale Unspecified
